PRICE 6 CENTS

WINNING TWO-YEAR-OLDS.

So far this year 601 two-year-olds have won races over the tracks of the United States and Canada. This number may be slightly increased before the end of the year by new winners at San Francisco and New Orleans, but in substance the tale of the year is told so far as horses of the age named are concerned. The sturdy "mudlark" Gregor K. stands at the head in respect to number of races won, with twelve races to his credit, the only other double figure winners being Jack Young, Laura F. M. and Barney Schreiber's good filly Geheimnis. The unbeaten ones are Bardolph, Flying Ship, Kittie Cut a Dash, Lady Farandole and Athelrose. Those that never ran unplaced are Grey Friar, Alan, Hurst Park, Gus Lanka, Sir Hugh, Lord of the Vale and the two dead celebrities, Dr. Walker and Martie Lewis. It will be observed that the real stars of the year, such as Irish Lad, Dick Welles, Savable, Eugenia Burch, Judith Campbell, Onatas, Von Rouse, Grey Friar, Mexican, Mizzen, Acefull and Skilful, were sent to the post but a few times as compared with such hard worked performers as Gold Bell, Dark Planet, Gegor K., Laura F. M., The Don, Special Tax, Louise Collier, Onyx II., Topsoil, Jack Young, King's Lady and Sheriff Bell. The table below is a selected list of those that in one way or another have shown good form and won public favor. It stands out prominently that the two-year-olds which win more races than they lose are decidedly in the minority. There are many other suggestions that will serve to make the table interesting to students of racing lore.

BROOKLYN JOCKEY CLUB STAKES.

In this issue appears the announcement of the big list of rich stakes offered by the Brooklyn Jockey Club, entries to which will close Monday, January 5, 1903. Following in the line of progress which happily prevails in turf affairs at present, Secretary McIntyre gives notice that the Brooklyn Handicap is changed from a guaranteed stake of the value of \$10,000 to an added money stake with \$10,000 added. The immediate effect of the change is that it is computed the gross value of this great race will be \$17,500 in 1903, which would give the winner approximately \$14,000 as compared with the \$7,800 of 1902, an advance that owners will heartily appreciate.

The stakes now offered are:

FOR THREE-YEAR-OLDS AND UPWARD.

The Brooklyn Handicap, \$10,000 added; 1 1/4 miles.

The Standard Stakes, \$3,000 added; 1 1/2 miles.

The Brookdale Handicap, \$2,500 added; 1 1/8 miles.

The Parkway Handicap, \$2,500 added; 1 1/16 miles.

Winner—B. g. by Fresno—Sophie (trained by J. H. Robbins).
Went to post at 2:01. At post 4 minutes. Start straggling. Won driving; second the same. Tulare secured a lucky start and had clear sailing and finished fast, but was swerving in the last furlong. Hungarian, away flatfooted, interfered with and compelled to pull up repeatedly on the backstretch. Bumped through in the stretch and was best, only losing through the winner's boring at the end. Star Cotton came along next to the rail very fast and shows steady improvement. Lone Fisherman broke slowly, but traversed the good going and with clear sailing failed to come on in the last quarter. All About closed a big gap. Sam Lazarus Esq. tired in the final stretch drive. Oso was given a poor start and an incapable ride. Inaugurator showed early speed.

Scratched—36654 St. Rica, 110.

Overweights—Oso, 3 pounds; Inaugurator, 3.

Tulare, show, 3 to 1. Hungarian, show, 1 to 3. Star Cotton, show, 2 1/2 to 1. Lone Fisherman, show, 3 to 5.

Time, 1:14.

Winner—Br. f. by Preston-pans—Mura (trained by C. Lind).
Went to post at 2:28. At post 7 minutes. Start bad. Won driving; second easily. Muresca beat the gate, but was reserved to the stretch, where she came fast and made good under a skillful ride. Glendenning, several lengths behind the winner at the start, was rushed to the front in deep going, opened a wide and apparently winning gap, but was ridden with bad judgment and finished in heavy going next to the rail and Kelly seemed to be taking matters easy at the end. Botany, nearly left, closed a big gap. The others were outclassed.

Scratched—(36656) Constable, 107; 36679 Azarine, 107; 31635 Tyrannus, 104.

Winner—Ch. g. by Hindoo—La Esmeralda (trained by G. W. Poole).
Went to post at 2:00. At post 5 minutes. Start good. Won handily; second driving. Harry went through his field with a rush in the run down the backstretch, carried Glennevis to defeat in the first half and fighting it out all through the last furlong, finished very gamely under a drive. Pageant is a slow beginner, but closed a big gap, finished with a rush and would have won in a few more strides. This is the first time Pageant has run his race at the meeting. Farmer Jim tired in the last fifty yards. He seemed like the winner at the sixteenth post.
Scratched—36616 My Surprise, 112; 36623 Anzeiger, 110.
Overweights—Judge Cantrill, 2 1/2 pounds.

Winner—B. g. by Leonatus—Puritan Laes (trained by S. C. Hildreth).
Went to post at 2:30. At post 4 minutes. Start good. Won easily; second driving. Tillo wore the leaders down in the run down the backstretch, saved ground while rounding the far turn and came through on the inside at the turn into the homestretch and drew away, cantering at the end. Dutch Carter was driving to the limit at the end to stall off Sarilla. The latter finished strong and would have been second in another stride. Playlike showed early speed and ran his race in carrying Meran too fast in the first half. Moranda was shut off at the start and crowded back.
Scratched—(35819) Hengist, 107.

Winner—B. g. by Free Knight—Cassandra (trained by C. A. Johnson).
Went to post at 2:58. At post 1 minute. Start bad. Won easily; second the same. Tom Kingsley was off running and was never bothered, had things all his own way and was only cantering at the end. The start gave him the race. Rough Rider finished strongly under a hard drive. Hanover Queen was used up in chasing the winner and tired at the end and was driving to the limit to stall off Water Edge's challenge. The latter was practically left at the post and ran a winning race, closing a big gap.
Scratched—36602 Belvino, 117; 36616 Phil Knight, 100.
Overweights—Tom Kingsley, 1 1/2 pounds.

Winner—Ch. g. by Golden Garter—Lucille Murphy (trained by C. E. Durnell).
Went to post at 3:28. At post 2 minutes. Start good. Won easily; second the same. Golden Rule outclassed his field, ran Death to retirement in the first quarter, took command with all ease and came away cantering at the end. Antonius lost ground by coming wide into the homestretch, but outgamed Death when it came to a drive. The latter showed early speed and for the first time at the meeting ran his race. The others were outrun all the way.
Scratched—36695 Farmer Jim, 110.

Winner—B. or br. g. by Eon—Guava (trained by J. P. Krewer).
Went to post at 3:58. At post 2 minutes. Start good. Won driving; second all out. Erne came all around the leaders at the far turn, caught Cogswell tiring in the stretch run and outgamed him when it came to a drive. The winner made a tired swerve in the last fifty yards and carried Cogswell over toward the inside rail. The latter was beaten at the time and it cut no figure in the result. Rice made his run too soon with Cogswell. Had he waited until the last quarter he would have won. Marcos was under a drive all of the last quarter. Banish quit. Irving Mayor was interfered with several times. Trocadero ran well to the stretch, then quit badly.

Winner—Ch. f. by Flying Dutchman—Hermitage (trained by W. Karkick).
Went to post at 4:30. At post 2 minutes. Start poor. Won easily; second the same. Sweet Alice began slowly, but wore the leaders down while rounding the far turn, caught Suburban Queen tiring in the stretch run and was going away at the end. Suburban Queen was off well in motion, is a quick breaker and showed all the most early speed, but tired at the end. Helen Hay closed a big gap, finished fast and outgamed Mrs. Frank Foster when it came to a drive. Semper Primus was as good as left.

Winner—Ch. c. by Goldcrest—Heatherbell (trained by J. F. Schorr).
Went to post at 3:51. At post 1 minute. Start fair. Won driving; second easily. Gold Bell showed sudden improvement, ran in deep going next to the rail, was pocketed and pulled up at the far turn, but finished fast under a vigorous ride and caught Minder on Iredus napping at the end. The latter was best, led under a pull to the stretch where he swerved out and, after decisively disposing of Gold Van's strong challenge, came away a sure winner and was going easiest of all at the end. Gold Van failed to stay and may have been short or seriously handicapped by the cuppy going. Warte Nicht was a contender to the stretch turn, but fell away in the stretch run.

Winner—Br. g. by Traverse—Belle of Mount Zoah (trained by E. J. Ramsey).
Went to post at 4:18. At post 1 minute. Start bad. Won easily; second the same. Bill Massie has greatly improved, followed the pacemakers closely to the stretch, where he moved up fast, saving ground next to the rail and won going away. The Buffoon, away in his stride, lucky and with clear sailing, finished strongly and is a genuinely improved horse. El Rio Shannon, away poorly, closed up ground for six furlongs, after which he fell away under a bungling ride. Stuyve was nearly left and went hopelessly wide on the first turn, taking a good lead early and then tired badly in the last quarter. Autolight ran a bad race and was probably handicapped by the stiff going. Artilla tired after going a good six furlongs.
Overweights—Bill Massie, 2 pounds.
Bill Massie, show, 4 to 5. The Buffoon, show, evens. El Rio Shannon, show, 4 to 1. Stuyve, show, 1 to 2. Autolight, show, 1 to 3. Artilla, show, 2 to 5.

NOTES OF THE TURF.

Manager Wagner, of the Worth track, has instructed Secretary Jasper to prepare conditions for eight stakes to be run at the spring meeting, which will commence April 30 and continue for twenty-one days. The total added money will be \$13,500, an average of about \$1,700 per stake. It is Secretary Jasper's present intention not to put on a stake exclusively for three-year-olds. Most of the stakes will be handicaps, and the entries will close March 1.

T. Licalzi has sold the two-year-old Wilton to W. Newman, who will rest her up and take her east in the spring.

O. S., Chicago. Henry of Trastamare won at Lakeside, November 2, 1901. His weight was 63 pounds and W. Knapp rode him. Opening odds 30 to 1, closing 8 to 1, chart 29121.

It is understood that in case they are ruled off, Hatfield & Ownbey will transfer their horses to another party and ship them to Newport to take part in the outlaw meeting which opens today. Jockey W. Hicks may also accompany them.

Our One Horse Per Day Play at New Orleans Gets the Money.

Wednesday. Scotch Plaid, 8 to 5, WON
Thursday. Commissioner Forster, 7 to 5, WON
Friday. Sweet Alice, 1 to 2, WON

The above were the three, and only three, horses on which we placed the money of our clients at New Orleans during the last three days. Of course, every \$20 player is \$70 ahead on the operation, and every \$100 player is \$350 ahead. Our one horse per day play is more conservative than buying government bonds and more remunerative than Standard Oil. With fair weather and a good track we cannot lose a bet for you at New Orleans. Send us by telegraph your account at once if you want to enjoy the choice picking we have in store for you today and every day next week.

WE WILL HANDLE YOUR MONEY.

The arrangements which we have made for this Winter are perfect. For the past two years we have been handicapped at the track by the publicity which has been given our information by its early sale. This year we have arranged to provide against this. The name of the horse we select will not be communicated to anybody before the races. In order to enable clients to back our choices we have secured the services of Mr. Sol. Lichtenstein, a noted Eastern bookmaker and member of the Metropolitan Association, who places the money at the track.

Accounts will be accepted subject to conditions which are given below. As a pledge of good faith, the selections the money will be played on, and also to mail the selections to out-of-town subscribers before noon each day of the races, such letter to bear postmark of not later than 1 P. M. of the day the races are to be run. It also undertakes to telegraph, on request, to any subscriber every evening the odds secured and the names of the horses played.

Conditions of subscriptions to our service at New Orleans are as follows:
Fee for information, \$10.00 weekly.
Charge for placing your money at the track is five per cent. of the net weekly winnings. Weekly remittances of profits. Accounts subject to withdrawal at a moment's notice. Official closing odds guaranteed. Remit direct to Maxim & Gay Co., 9

GOSSIP OF THE TURF.

Charles Gray, the American jockey who returned to America the other day after a successful campaign in Austria and Hungary, speaks in glowing terms of his experiences in those countries, says an eastern exchange. "We all did well over there," said Gray, in talking with friends recently, "and the racing flourished. A native Hungarian who rides with the short stirrup and reins led the jockeys of the season with ninety-nine victories to his credit. Fred Taral was second with sixty-eight, Russell, a California boy, was third with forty-four, and I ranked fourth with forty-three. Charles Vandusen was right at my heels with thirty-nine, and would probably have done much better had he not

been set down for fouling. I rode for the stable of Herr von Egyedi, a rich Austrian, and have been engaged for next season at a salary of \$5,000 for first call. Baron Springer will have second call on my services for \$2,500. There are many really good horses in Austria and Hungary, the best of them being, I think, Llubar, who can pick up 140 or 150 pounds and carry his burden home ahead of any other horse in the country. They have some crack sprinters over there, too. Taral rode a big brown horse which he said was as great as Domino was in his palmist days. Another good one was Passe Partout, not the old jumper, but another horse with the same name. He could break last and then run over his field. 'Jimmy' Dyer, an American, was the best trainer in Austria and Hungary. The foreigner marvelled at his success. Capt. Reimer, a retired cavalry officer, is the best starter over there, and I think he is as skillful as Dick Dwyer or Jake Holtman. They use the barriers just as in America. The stewards are very strict, but at the same time have always treated Americans with great fairness."

"Made in America" is the only recommendation a jockey needs in Europe. The old-time rider, "Johnnie" Tabor, now training a stable of horses at Sheephead, has received an offer to ride for a Russian turfman next season and is turning it over in his mind. If boys of the class of Rigby can earn \$15,000 or \$20,000 a year on the other side, Tabor sees no reason why he cannot go and do likewise, and he is disposed to make the attempt. None of our jockeys, it seems, is so incompetent as not to be able to distinguish himself in the old world.—New York Sun.

Many of the old guard of racegoers will also remember Tabor as the rider of Toano, with which S. C. Hildreth pulled off one of the greatest, if not the largest, coup in this country during the winter of 1891-92 at Guttenberg. Toano was backed in every poolroom in the country and from 100 to 1 down to favoritism at post time.

M. Goldblatt's stable has been in great form at New Orleans. He has only started four of his horses up to date, Brief, Jessie Jarboe, Travers and Latson. These four have carried his colors in seventeen races and in eight of them they have returned winner. Brief was started only once, but the going did not suit her and she was unplaced. Jessie Jarboe has been the principle bread winner of the barn. She has run in seven races and has won four of them, her last three starts being victories. She was second in two of her other starts and unplaced but once. Travers won two races and was third once, while Latson has two victories,

one second and a third to his credit. The only time that Latson was out of the money was when W. Hicks rode him. It was common talk around the track that Hicks pulled Latson in that race. Thursday Jessie Jarboe was the extreme outsider in her race, and in face of the fact that the mare had won both of her previous starts.

One of the New Orleans stewards, in discussing the Moabina scandal several days ago, refers to the machinations of the culprits who engineered the job as villainous.

"Why, those men did not stop at anything to achieve their purpose. A human life would not deter them. Why, they actually sent out Moabina with her girth strap almost severed. After the horses left the post, it is said, one of the rail birds saw it snap and dangle to the ground. The man endeavored to yell a warning to Hicks, but to no avail. How the boy retained his seat, and was not precipitated under the hoofs of the flying horses, is beyond comprehension. The jobbers meant to stop the mare, even if it were at the sacrifice of the boy's life. Expulsion from the turf is too mild a punishment. These men should be placed in the hands of the civil authorities."

James Rowe, the well known trainer, took a drive last Wednesday afternoon and wound up at the Hoffman House, where he spent some hours receiving the congratulations of many friends on his rapid progress. He said, in answer to an inquiry, that his doctors tell him he can go out every day, and he may decide to return to Brookdale by Sunday.

The trainer's fine constitution and naturally robust health have greatly aided him in his rapid progress toward his usual state of health again. Among those whom he received at his impromptu reception in the Hoffman House corridor were Lucien Appleby, J. W. McDonald, James Villapigue, T. Foley, John Tubbs, Charles Reed, S. Mannheim, A. Lakeland and Messrs. Ellis, Roche, Northrup and others.

General solicitude for his welfare was a source of much gratification to the convalescent. As he put it himself, he has not received so much attention since his bad fall from Springbok at Saratoga a quarter of a century ago.
